Dear Mr. Owen:

The Division received on July 27, 2001 your request for an additional extension to submit a response for the Ballpark Drainage amendment. This extension is needed to coordinate the above-referenced amendment with the Wild Horse Ridge Revision which has just been approved. Your request is hereby granted. You now have until August 6, 2001 to address these issues. Please make every effort to complete this requirement.

If you have any question, please call me at (801) 538-5325 or Jim Smith at (801) 538-5262

Sincerely,
